# Creating a Project in Overleaf using the J.UCS Template

## Create account or login in Overleaf

- To start using Overleaf go to www.overleaf.com.
- If you don't have an account enter your e-mail address and set a password, click **Register**
- If you already have an account, click **Login** in the upper right corner, then type in your email and password and click the **Login** button.

## New Project from J.UCS Template

- Access the J.UCS Template in the Overleaf Gallery at https://www.overleaf.com/latex/templates/jucs-article-template-latex-v4/crhvhnsfyxbq
- You can review general information, version and terms of us at the Gallery page
- you can start editing your own copy of the template on Overleaf right away by clicking 'Open as Template'
