Managing Editor's Column

Vol. 4, No. 10; October 28, 1998

Dear Readers:

This issue contains once more extended versions of papers that have received best paper awards at WebNet'98 (http://www.aace.org/conf/webnet), one of the major annual Web conferences.

We want to express our gratitude to AACE (http://www.aace.org/), the Association for Advancement of Computers in Education, for allowing us to contact award-winning authors, and to the authors concerned for their willingness to submit extended versions of their conference papers.

Hope you will enjoy the contributions!

Cordially,

Hermann Maurer
